**Parks & Recreation Committee**  
**September 28, 2021 DRAFT Meeting Minutes**

**Present:** Chairman Jay Chandler, Councilor April Bunker, Councilor Jo Brown, City Manager Judie Milner, and Parks and Recreation Director Krystal Alpers

The meeting was called to order at 6:36pm

Director Alpers reviewed the various programming provided by the Recreation Department over the last 3 years including enrollment numbers. She explained how the scholarship fund worked in addition to how the State Childcare Scholarship works. The Committee discussed other possible programming ideas that may not be as sports focused in addition to a possible future collaboration with the Makerspace Board.

Director Alpers presented an overview of revenue vs expenses over the past 3 years. She explained there are administrative costs to running the department that are not covered by program revenue such as the Directors salary, supplies for the parks, beach samples, etc., however, all program expenses including staff wages are covered by program revenue. In fact, most years, more revenue is brought in then the program expenses which helps to offset some of the administrative costs. Director Alpers also broke down the various funding sources such as the 21<sup>st</sup> Century Grant to show all expenses are offset by grant funding.

Director Alpers explained the staffing crisis we are currently having. We have a waitlist for the Before and After School Program but can not take any more children as we are barely making our student to staff ratios. She explained her partnership with Plymouth State and Colby Sawyer as that has helped with some staff, but she is desperate for more staff. The Committee discussed other possible options to recruit staff.

Director Alpers stated that we are in the last year of the 21<sup>st</sup> Century grant and will be reapplying in the Spring or as soon as the RFP is available. This funding helps to increase staff wages to be competitive with other local businesses as well as supplies and outside instructors for clubs. Without this funding our staff would be paid \$10 per hour which is not remotely comparable to other local businesses and the Outlets.

The Committee approved the minutes of the May 28<sup>th</sup>, 2020 meeting.

The documents presented to the Committee are attached.

Councilor Bunker made a motion to adjourn seconded by Councilor Brown.

Respectfully Submitted,

Krystal Alpers  
Parks and Recreation Director
