Other Attendees: Robert McKenney, Superintendent, Richard Towne, Franklin High School Principal, Lori Carey, Merrimack Valley SAU 46 School Board Chair, Councilman Glen Feener, Former Representative Scott Burns (arrived late)

Meeting Opened at 6:03pm by George Dzujna

- Logistics surrounding the Joint Committee to tour both city/school buildings:
Date: Tuesday, March 31, 2015
Time: 4:00pm
Tour the Following Buildings: Fire Department, MSD, Bessie Rowell, Paul Smith, Franklin High School, Franklin Middle School

Richard Towne and George Dzujna will work on the transportation. The tours on both city/school buildings to see what each board is facing during budget session.

- School District Discussion by Lori Carey, former Selectmen and House Representative, business owner in Boscawen, and seated on several different school boards. Also, Scott Burns, former House Representative and citizen of Franklin – interest in working together to bring a medical vocational tech program/CTE (Career Tech Ed). Other Tech programs in our regional area were mentioned and along with funding sources. Mr. Towne is already working on a CTE/Career Tech Ed Program for Franklin High.
- Junior Achievement – needs to be put on the back burner for next year – right now - timing is off to try and implement for Franklin's School District.
- Unfortunately, JrROTC is off the table - \$100,000.00 per year, and collaborating with other school districts has overwhelming complexities.
- Placing Televisions in high traffic areas for Advertising, Sales, Marketing of our city/schools – idea to incorporate student involvement with producing and directing for segments.
- **Next Book To Read: There are No Do-Overs: The Big Red Factors for Sustaining a Business Long Term**
- 20 Mile March will be schedule at a future joint meeting.

Meeting adjourned at 7:33pm
